DR. STEVE FAYE, DIRECTOR

>> IF A MAN DOES NOT KEEP PACE WITH HIS
COMPANIONS, PERHAPS IT IS BECAUSE HE HEARS A
DIFFERENT DRUMMER. LET HIM STEP TO THE MUSIC
WHICH HE HEARS, HOWEVER MEASURED OR FAR AWAY.

>> Henry David Thoreau

As a young man, I took some comfort in the words of Thoreau. His assertion helped still my soul. I knew that the music in my head was not the music of the mainstream. The music I heard came at me from all directions and at varying tempos. It was askew.

Which explains why I love Spring Sing.

Spring Sing is comedy. It takes the familiar and twists our perspective. I learned from watching, listening, writing, and performing that creating laughter is a gift. Spring Sing allows us to laugh at the absurd and the askew.

Spring Sing is off beat and unusual music. Spring Sing presents show tunes, pop tunes, ballads, anthems, jazz, and rock in a play list mix that can only be considered "different." People just don't burst into song and production numbers in real life. But when you come to Spring Sing, that is exactly what we do.

Spring Sing is a unique part of Harding University. College is *Slightly Askew* when compared to the rest of our life experiences. Harding University is different by design. Harding continues to grow every year and Spring Sing grows with it.

So, here we are, performing a huge musical comedy revue that defies description at a growing Christian university in a small city in Arkansas. Do you hear it? It is the music of a different drummer. Welcome to Spring Sing.

Spring Sing is *Slightly Askew*.

>> DID YOU KNOW?

Dr. Steve Frye, Spring Sing director, really likes higher education. He has been a student at Ohio University, University of Arkansas, University of Memphis and Freed Hardeman University.

HOSTS & HOSTESSES

>> THE FAB FIVE

One way Spring Sing is Slightly Askew this year is the number of hosts and hostesses. Usually there are only four; but this year, why not, let's have five. The Fab Five includes an Alabama fan who owns a whoopee cushion costume, a not-so-closet Michael Jackson fanatic, a late-nighter who can't fall asleep before midnight, someone who can't skip their "nightly routine," and a secret wanna-be traveling hippie.

SPRING SING 2012

>> MATT FLYNN

A senior from Huntsville, Ala., Matt Flynn is the son of Tom and Debbie Flynn. Matt, a preaching major and member of Gamma Sigma Phi, Good News Singers and the Chorus, is looking forward to being a 2012 host. "What an amazing way to say goodbye to this incredible place that means so much to me," Matt said. "I am most excited about the relationships that have been formed and strengthened because of this process."

>> DID YOU KNOW?

Matt used to have a puppy that he named "Happy Birthday Matthew Patrick Flynn". He also has a pretty impressive elephant collection.

>> EMILY HELTON

Recognizable from the 2010 Homecoming musical *Scrooge*, junior Emily Helton is an English major from Jackson, Tenn. She is the daughter of Paul and Dana Helton. Excited about the 2012 Spring Sing theme, Emily said she's looking forward to this year's show. "It is going to be such a wonderful experience for me to dive into and enjoy," she said. "I am getting to sing and perform, two of my absolute favorite things."

>> DID YOU KNOW?

Emily absolutely hates it when her socks match. Her socks always have to be two different colors. Honest. She can't sleep with matching socks.

>> BENJI HOLDER

Most people know junior Benji Holder as Daddy Warbucks from the 2011 Homecoming musical *Annie*. A music education and leadership and ministry major from Fort Wayne, Ind., Benji is also a Chorus and Theatron member. He is the son of Andy and Kerry Holder. "My dad and uncle were both Spring Sing hosts," Benji said. "Dad has talked to me many times about how incredible the

experience was for him. It is so surreal to be on the same stage as him 30 years later."

>> DID YOU KNOW?

In addition to sleeping, Benji's favorite hobbies are calling the Hogs and eating cookies.

>> CAROLINE SNELL

Senior Caroline Snell is a returning hostess from Spring Sing 2011. "I am excited to be a hostess this year for a pretty simple reason: It is fun," Caroline said. "On a more philosophical note, I love being a part of Spring Sing because it shows the best of people—not just in the obvious ways of music and performance." A public administration major from Ripley, Tenn., Caroline is the daughter of David and Jane Snell. She is also a member of the Concert Choir.

>> DID YOU KNOW?

Caroline wants to be president of the United States when she grows up. And she's scared of heights.

>> NATE WHITE

No stranger to the Harding stage, senior Nate White was a Spring Sing host in 2009 and 2010, and appeared in *Oklahoma*, *Annie* and *Thoroughly Modern Millie*. Nate, the son of Jim and Martha White, is a history major from Omaha, Neb. "I am excited to be a host because the personalities and talents that intermingle when making this show produce an incredible amount of creativity," he said. "By the end of the process we have a unique, beautiful, enjoyable product that I think will captivate the audience."

>> DID YOU KNOW?

Nate is ambidexterous. He can do a pretty solid Elmo impression. He has also won a singing competition at Disney World's Epcot Center.

DR. DAVID BURKS, HARDING PRESIDENT

>> WITH MORE THAN 1,000 PERFORMERS, THE SHOW IS GUARANTEED TO BE COLORFUL, FAST-PACED AND ENERGETIC.

Please let me join in welcoming you to the Harding campus for Spring Sing 2012. This is always a great weekend for prospective students, alumni, parents and visitors. We enjoy having you on our campus, and I know you will enjoy the musical performances in Spring Sing. We have such talented students, and I know you will be as impressed as I am with their creativity, musical expertise and the humor they have incorporated in their acts. With more than 1,000 performers, the show is guaranteed to be colorful, fast-paced and energetic.

This year's theme for Spring Sing is *Slightly Askew*, a celebration of all things different and quirky. I hope you will sit back and enjoy each group's interpretation of just how out of line things can appear to be. Who knows, after the performance you might be slightly askew, too.

>> DID YOU KNOW?

Dr. David Burks was the winner of Harding University's Distinguished Teacher Award in 1975 and 1986 before becoming president in 1987.
